

Unified Sports

Join the University of Oregon and Sacramento State University to learn more about implementing and/or enhancing your own Unified Sports Program. We will discuss the history and foundation of Special Olympics as well as implementation processes and strategies for success. Dedicated time will be left for group discussion and resource sharing, so participants can leave feeling prepared for the next steps! Play Unified!

- Lead Presenter: Amanda Deml, University of Oregon
- Co-Presenter: Andrew Reddish, Sacramento State University
- Room: San Juan
