Waiver of Liability, Assumption of Risk, and Indemnity Agreement

Waiver: In consideration of being permitted to participate in any way in the NIRSA 2018 Region VI Conference and associated events, hereinafter called "The Activity", I, for myself, my heirs, personal representatives or assigns, do hereby release, waive, discharge, and covenant not to sue, NIRSA, NIRSA Services Corporation, NIRSA Foundation, or their officers, employees, and agents from liability (collectively "NIRSA") from any and all claims including the negligence of NIRSA, its officers, employees and agents, resulting in personal injury, accidents or illnesses (including death), and property loss arising from, but not limited to, participation in The Activity. I further agree to waive the protection afforded by any statute or law in any jurisdiction (e.g. Calif. Civil Code §1542) whose purpose, substance and/or effect is to provide that a general release shall not extend to claims, material or otherwise, which the person giving the release does not know or suspect to exist at the time of executing the release.

Assumption of Risks: Participation in The Activity carries with it certain inherent risks that cannot be eliminated regardless of the care taken to avoid injuries. The specific risks vary from one activity to another, but the risks may include, but are not limited to (1) minor injuries such as scratches, bruises, and sprains to (2) major injuries such as eye injury or loss of sight, joint or back injuries, heart attacks, and concussions to (3) catastrophic injuries including paralysis and death. (4) The unavailability of emergency medical care; and (5) the negligent or deliberate act of another person;

I have read the previous paragraphs and I know, understand, and appreciate these and other risks that are inherent in The Activity. I hereby assert that my participation is voluntary and that I knowingly assume all such risks, and also assume the risk of the unavailability of emergency medical care or the negligent or deliberate act of another person.

Indemnification and Hold Harmless: I also agree to INDEMNIFY AND HOLD NIRSA HARMLESS from any and all claims, actions, suits, procedures, costs, expenses, damages and liabilities, including attorney's fees brought as a result of my involvement in The Activity and to reimburse them for any such expenses incurred, and including damages which are caused by the negligence of third parties).

Severability: The undersigned further expressly agrees that the foregoing waiver and assumption of risks agreement is intended to be as broad and inclusive as is permitted by the law of Washington and that if any portion thereof is held invalid, it is agreed that the balance shall, notwithstanding, continue in full legal force and effect.

Acknowledgment of Understanding: *I have read this waiver of liability, assumption of risk, and indemnity agreement, fully understand its terms, and understand that I am giving up substantial rights, including my right to sue. I acknowledge that I am signing the agreement freely and voluntarily, and intend by my signature to be a complete and unconditional release of all liability to the greatest extent allowed by law.*
